Editor's letter

Everyone is looking for that best kept Sydney secret. Those great out-of-the-way cafes that offer a top homemade cake and coffee or a boutique cinema that shows half-price art house films on Tuesdays. This week, we've covered a whole range of cheap treats, from an early morning boxing class to a night cap at Small Bar. Plus we've thrown in a few free ideas, so you won't be left out of pocket. In true fashion, the lads from Channel [V] strike a pose and show us how to look good without breaking the bank. Hope you enjoy.

Around Town

It's known for its uber-exclusive guest list and its members-only keyhole entry is the talk of the town, so it's no surprise that Bondi nightclub White Revolver celebrates its first birthday this Thursday – quite the milestone. Invitees have been sent the all-important key to gain access to the club, which has seen the likes of **The Prodigy**, **Erin McNaught** and **Ruby Rose** step through its revolving doors. A representative for White Revolver was tight-lipped when asked what celebrities might pop in for a birthday bevy, but we have been told that *Sports Illustrated* model **Jess Gomes**, who has also modelled for DKNY Jeans and Victoria's Secret, has flown in from New York and will pop in for a champagne celebration.

SPOTTED!
Allow us to introduce Jenny Truong, our first Spotted! winner. Jenny's taken a shot in front of her favourite location in North Sydney. Thanks Jenny! If you want to feature your mug in our mag, grab a copy of NINETOFIVE on a Monday morning, snap a pic of yourself in front of your fave Sydney spot, and send it to edsimbox@ninetofive.com.au with your name, address and phone number. If we publish your pic, you'll be in the running to win a fabulous prize. We look forward to seeing your shots!

Question of the week: What's your fave secret Sydney spot?

For all that glitters, what better place to consider your options than Sydney's most beautiful shopping experience, the **Queen Victoria Building**.

Over four magnificent levels, 23 dedicated jewellers are waiting to be discovered at the Queen Victoria Building. From the smallest boutique run by a master craftsman to the most desirable of premium international brands – every taste and style is represented. QVB is giving you the chance to win your own precious jewels valued at more than \$3500, generously provided by selected jewellery boutiques including Baku, Kalmar Antiques, Moi Moi Fine Jewellery, Plata, Swatch, Thomas Sabo and Vivian Chan Shaw.
